## Guide: Action Needed to Implement Stimulus Act Changes to COBRA Coverage

2.16.2009

The American Recovery and Reinvestment Act of 2009 (Act) passed by Congress of February 13, 2009, makes significant changes to the COBRA continuation coverage rules. Butzel Long's Employee Benefits Practice Group prepared this analysis of the COBRA provisions in the Act to help employers and plan administrators in implementing these changes.
